Good afternoon

The above document was discussed at Newark Town Council's Planning Committee on the 1st November and the following comments were made:

'Newark Town Council is unable to support a Local Development Plan that includes the land east of Newark. Future development of the land east of Newark will represent an unconscionable loss of one of Newark's largest areas of open green space and amenity land. Newark Town Council does however, recognise the need for and the importance of, having an up-to-date Local Development Plan. Newark Town Council understands the long term need to identify sites for future housing growth and is willing to work with Newark and Sherwood District Council to better understand the long-term housing needs of Newark and consider carefully, how those needs can be met'.

Kind regards
