No

5. Do you consider the DPD to comply with the Duty-to-Cooperate?

Yes

No

6. Do you consider the DPD to be SOUND?

Yes

No

*The considerations in relation to the Legal Compliance, Duty to Cooperate and the DPD being 'Sound' are explained in the Newark & Sherwood Development Plan Document Representation Guidance Notes and in Paragraph 35 of National Planning Policy Framework 2021 (NPPF).

¹ The Integrated Impact Assessment (IIA) integrates Sustainability Appraisal (SA), Strategic Environmental Assessment (SEA), Equalities Impact Assessment (EqIA) and Health Impact Assessment (HIA). Sustainability Appraisals (SA) are a requirement of the Planning and Compulsory Purchase Act 2004 and Strategic Environmental Assessments (SEA) are required by European Directive EC/2001/42, which was transposed into UK law by the Environmental Assessment Regulations for Plans and Programmes (July 2004). The EqIA is a way of demonstrating the District Council is fulfilling the requirements of the Public Sector Equality Duty contained in section 149 of the Equality Act 2010. HIA is a recognised process for considering the health impacts of plans and undertaking this type of assessment is widely seen as best practice.

7. The DPD is not sound because it is not:

- (1) Positively Prepared
- (2) Justified
- (3) Effective
- (4) Consistent with national policy

8. Please provide precise details of why you believe the DPD is, or is not, legally compliant, sound or in compliance with the duty to cooperate in the box below.

If you wish to provide supplementary information to support your details, please ensure they are clearly referenced.

Historic England welcomes the new policy which sets out a positive approach to the historic environment in NPPF terms, but also clearly sets out the Local Authorities expectations for potential development proposals within the area indicated on the associated Policies Map based on the significance of the particular local context of the rare historic open field system and potential sensitivities associated with that.

However, it is noted that scheduled monuments at Laxton Castle, the bowl barrow 70m south of Church of St Michael's and fishponds 220m south west of Church of St Michaels are not indicated on the proposals map (Map 9 – Laxton proposals) and are, therefore, inconsistent with other Maps included in the draft Plan.

(Continue on a separate sheet/expand box if necessary)

9. Please set out what change(s) you consider necessary to make the DPD legally compliant or sound, having regard to the test you have identified at 6 above where this relates to soundness. You will need to say why this change will make the DPD legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

(Continue on a separate sheet/expand box if necessary)

Please note your Representation should cover succinctly all the information, evidence and supporting Information necessary to support/justify the Representation and the suggested change, as there will not normally be a subsequent opportunity to make further Representations based on the original Representations at the Publication stage. After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for Examination.

10. If your Representation is seeking a change, do you consider it necessary to participate at the oral part of the examination?

No, I do not wish to participate at the oral Examination	Yes, I wish to participate at the oral Examination
<input checked="" type="checkbox"/>	<input type="checkbox"/>

11. If you wish to participate at the oral part of the Examination, please outline why you consider this to be necessary.
